Field-n-Farm

Designed for beginning pullers and show tractors.

- GENERAL RULES** – See general rules that apply to all tractors.
- ENTRY** – A tractor cannot be entered in classes below its manufactured shipping weight. No alterations to the tractor.
- TIRES** – ABSOLUTELY no cut tires.
- SPEED** – 1st gear only.
- WEIGHTS** – Weights of bolt on type to either the front or the back wheels. No concrete or suitcase weights allowed. Manufactured weights only.
- ENGINE** – Stock block, naturally aspirated. Engine parts not in the parts book or replacement parts book for that specific tractor cannot be used.
- HITCHES** – Maximum 18” height (stationary in all directions) locked at 18” on tractors such as IH fast hitch, for 3-point hitch, etc. Hitches must be as is from the factory unaltered for that specific tractor. Operator must furnish a clevis with a minimum opening of 3.0 pinned tightly with spacers to the draw bar. Hitch measured at hook point of clevis. Farmall H’s and M’s must pull from an original draw bar hooked to the original belly hook point.
- SAFETY** – The front wheels of the tractor are not allowed to exceed 18” off the ground during a pull or at the flagman’s discretion.
- APPEARANCE** – Tractors must maintain original stock appearance. Tractors must have fenders or substitute fenders to ensure the safety of the drive.
